With the uncertainty of the current climate the EVH would like to bring you some normality as we progress through this unprecedented situation.

We have decided to provide a takeaway option for those self distancing and those who are self isolating, providing a delivery service to our Balmain East family. As long as we have access to high quality produce we will keep on soldiering on.

Please check our social accounts for takaway times.

Thank you for continuing to support our small business at the end of the peninsula.
